## 5-Year Plan

### 5.1 Mission
The housing authority's mission is to provide a variety of safe, sanitary, accessible, decent, and affordable housing to eligible citizens of the City of St. Petersburg, while enhancing and promoting resident self-sufficiency.
5.2 Goals and Objectives. Identify the PHA’s quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

Goals and objectives: 2015 – 2019:

1. Improve marketing, public relations, community relations
   - SPHA continues to make progress toward this goal. Our bi-annual newsletter, The Housing Homefront, is distributed in an electronic format to a host of stakeholders and ties to the agency’s website (www.stpeteha.org). Both contain in-depth news about SPHA. SPHA also distributes a Landlord newsletter to both attract new HCV Landlords with training and program information and to provide up-to-date helpful information to participating HCV Landlords. SPHA also distributes a monthly newsletter to our public housing tenants.
   - SPHA has a 15 minute radio talk show once a month on a local radio station. Staff uses this time to educate and update listeners about SPHA programs and services. Also, staff has identified civic organizations, neighborhood associations and other potential stakeholders and works to foster relationships with them as part of our on-going community outreach plan. Executive staff and Commissioners are available to make presentations to these groups through SPHA’s Speakers Bureau.
   - SPHA staff regularly submits our programs for housing industry "Best Practices" awards. Two of our programs were in the finals in the best practices contest from Housing Authority Insurance Group.

2. Develop and execute property strategy
   - SPHA is disposing of its commercial properties: the Center for Achievement (1048 22nd Street South), the Midtown Youth and Family Enrichment Center (1201 22nd Street South), the Commercial Building (1221 22nd Street South) and the property located at 2240 9th Street South.
   - SPHA may also dispose of its single scattered site single family home located at 4326 14th Avenue South. The property is currently occupied by a public housing family who has expressed an interest in purchasing the home. SPHA plans to make necessary renovations to the home prior to sale.
   - SPHA may purchase additional public housing using its Replacement Housing Factor (RHF) funds, and/or public housing sales proceeds (which may be used for Project Based Section 8 units), and/or general public housing funds, and/or tax credits, bonds, or other funding sources. SPHA may also purchase additional affordable housing. SPHA is working to create Wounded Warrior housing for wounded veterans, specifically. SPHA will either build or renovate approximately 20-125 units for this purpose.

3. Develop and implement Veteran’s Housing Initiative
   - SPHA created a Wounded Warrior Advisory Committee to determine the needs, design, and funding options for local Wounded Warriors. SPHA plans to acquire, acquire with rehab, or construct 20 to 125 units of Wounded Warrior Housing. The units may include public housing units, Project Based Section 8 units, as well as affordable units and possibly market rate units. A portion of the units will be handicap-accessible, with Wounded Warriors in mind. SPHA may consider partnering with another Housing Authority on this project. SPHA may also consider issuing a Request for Proposals from developers or other partners. If doing Project-Based Vouchers, SPHA plans for the project to serve ‘qualified families,’ which may include elderly and/or disabled families or those receiving supportive services.
   - SPHA may choose to issue a Request for Proposals for Project Based Vouchers. SPHA may project base up to 20% of its baseline units. Project based units may include Single Room Occupancy (SRO) units.

4. Develop Succession Plan
   - SPHA has completed a preliminary succession plan that details the current agency needs and implements a plan on how to meet those needs.
   - A few members of SPHA staff may plan to retire within the next 1-5 years, and training has commenced with current staff for potential replacements.

5. Develop funding gap strategy
   - This is a continuous goal of constructing and/or acquiring new affordable housing using new funding sources (as detailed above).

6. Continue Commissioner Certification training and development guidelines and processes.
   - All new Commissioners are encouraged by the Board to receive professional third-party
training on the basics of serving on a Public Housing Authority Board of Commissioners. A New Commissioner training took place in 2015, as well as two Commissioners attended a PHADA conference. SPHA staff members also provide presentations on SPHA’s past and current operations to all new Commissioners.

- The Commissioners updated their Board By-Laws in 2015.

7. Continue to work on three Legislative actions as joint projects with area housing authorities
   a) Stop ‘Pay to Stay’ – National resolution
   b) Time limit benefits – National resolution
   c) Agency name review – State resolution

- The Chief Executive Officer has spoken with congressional representatives regarding the above referenced Legislative actions. SPHA pays out approximately a half a million dollars in negative rents annually, that is, residents whose rent minus a utility allowance results in payments being made to the resident from Federal subsidies. It is SPHA’s position that a significant number of new applicants could have been served using this funding, and many more would be served if reasonable time limits were imposed on clients receiving housing benefits, who are not elderly or severely disabled.

- SPHA may change its name, as there is confusion that SPHA is a department of the City.
6.0 PHA Plan Update

(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:

SPHA has submitted disposition applications for all of its commercial properties. The sale of the Center for Achievement (1048 22nd Street South) and the Midtown Youth and Family Enrichment Center (1201 22nd Street South) is expected to close in August 2015. The property located at 2240 9th Avenue South is expected to close in September 2015. The property located at 1221 22nd Street South is currently listed for sale.

SPHA will continue to implement HUD’s cost savings measure with regard to utility allowances. SPHA will use the utility allowance for either the tenant’s voucher size or the occupied unit size, whichever is less. SPHA may choose to implement any further cost savings measures, including conducting biennial HQS inspections.

SPHA may choose to implement PIH Notice 2011-33, designating one or more public housing property with the working family preference and requiring work activity as a condition of continued occupancy at that development. This will require a modification to the Lease and House Rules.

SPHA may choose to update its waiting list preferences to include any of the allowable preferences, including a local preference.

SPHA may also choose to utilize a single wait list for its AMP 2 properties, versus site-based wait lists. Because AMP 2 is comprised of multiple sites and many of the applicants apply for all sites, it creates a duplication of work to pull from the individual lists.

In the event that HUD allows additional housing authorities to apply to become a Moving to Work agency, SPHA may choose to submit an application.

Two (2) of SPHA’s programs were recognized by Housing Authority Insurance (HAI) Group as top programs in the nation. SPHA’s Maintenance Action Plan received First Runner Up, and our Tenant Volunteer Incentive Program received an Honorable Mention. In 2014, SPHA received First Runner Up for its Community Policing and Crime Prevention program, which is still being utilized. SPHA partners with St. Petersburg Police Department, who provides SPHA with a Community Police Officer, who works directly with our public/affordable housing complexes and Housing Choice Voucher clients and landlords.

SPHA remains committed to eliminating fraud in Public Housing and the Housing Choice Voucher program. SPHA has partnered with St. Petersburg Police Department, as well as the Office of Investigator General, to eradicate fraud.

SPHA continues to work with Youth Build at the various public and affordable housing complexes.

SPHA plans to use the highest possible minimum rent, as allowed by HUD, in order to maximize funds.

(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.

A copy of the plan may be obtained at SPHA’s Central Office located at 2001 Gandy Blvd. North, St Petersburg, FL 33702.
Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. Include statements related to these programs as applicable.

SPHA has submitted disposition applications for its commercial properties (see 6.0a above).

SPHA is also seeking other available local, state, federal, and private funding sources. SPHA may develop or rehab housing within its jurisdiction, with or without a partner.

SPHA is exploring the option of converting public housing units (AMP 2 and/or AMP 3) to Section 8 Project Based units. SPHA may further explore the Rental Assistance Demonstration (RAD) program. SPHA may choose to submit a RAD application to HUD for its AMP 2 public housing units, AMP 3 (Jordan Park), or both. SPHA is going to begin talks with the Developer for its AMP 3 property regarding the end of the tax credit compliance period, which is believed to be in 2017. SPHA is exploring opportunities for possibly sustaining the future of the property, which may include disposition and the use of SPHA’s project based vouchers and/or the RAD program.

SPHA currently has one-hundred five (105) project based vouchers at Serenity Towers for families 55+, forty (40) project based vouchers at Catholic Charities’ Pinellas Hope II Development for homeless families, and one-hundred sixty-two (162) project based vouchers at Philip Benjamin Tower for families 55+. SPHA recently advertised a Request for Proposals for project based vouchers for Veterans. From this solicitation, SPHA awarded 8 vouchers to Catholic Charities’ Pinellas Hope III development and 15 vouchers to Boley Centers. SPHA may consider project-basing additional vouchers, including VASH vouchers, (including SRO units). This includes creating project based vouchers for one of its own properties.
