

JOB DESCRIPTION

Position:	Construction Inspector
Location:	St. Petersburg, FL
Supervisor:	Chief Executive Officer
Status:	Full-time Exempt (Durational)
Hiring Range:	\$60,000.00 - \$80,000.00
Overall Responsibility:	<p>Performs a variety of functions relative to projects within Real Estate Development and Capital Improvement Services. Plans, coordinates, estimates costs and oversees all capital improvements for SPHA, working directly with contractors and vendors to ensure deliverables fall within SPHA's project scopes and budgets. Assists in facility maintenance management and acts as a liaison for construction/educational work programs. Performs data gathering, provides, and maintains documents of construction methods and activities.</p> <p>The statements contained here reflect general details as necessary to describe the principal functions of the job, the level of knowledge and skills typically required and the scope of responsibility. It should not be considered as an inclusive listing of work functions or requirements. Individuals may perform other duties as assigned.</p>

Duties and Responsibilities

The below statements are intended to describe the general nature and scope of work being performed by this position. This is not a complete listing of all responsibilities, duties and/or skills required. Other duties may be assigned.

Inspects new and remodeled construction activities, including but not limited to, demolition, rough-in, framing, finishes and completion of contract compliance and conformance to applicable building codes, laws, contractual specifications and city ordinances. Reviews Construction Punch List(s) and verifies cost estimates, timelines and work completion.

- Reviews and interprets design documents, lab reports and test, drawings, specifications and change orders, specifically noting errors, non-compliance and recommending required appropriate actions. Reviews construction bids for comparison and document results.

-
- Oversees performance of construction, to include scope of work, specification, agreements and cost and construction schedule. Assist with review of plans and designs for accurate assessment of scope of services on projects. Responsible for reviewing all specifications produced by A/E.
 - Prepares and maintains daily construction reports, photographs, files and other reports as required that documents the status of various construction activities. Determine plan modifications to projects as necessary.
 - Provides information and answers questions from contractors, architects, construction managers and SPHA Management Personnel regarding HUD regulations, status of project, procedures, and other relevant information and/or data.
 - Inspects quality of materials and methods of construction to ensure contract compliance.
 - Reviews and verifies construction completion and stored materials status for contract payment request to ensure contract 'not to exceed amount' and other applicable information accuracy.
 - Assists in coordinating logistical and maintenance needs with the Chief Operating Officer and other affected Departments Heads, to include but not limited to moving of offices, remodeling building/spaces, provision of furniture and/or fixtures, scheduling of routine and non-routine work orders on projects, etc.
 - Assists Supervisor and/or designee in the inspection, assessment and preparation of housing units for inspection reviews from HUD/REAC and other Housing Partners.
 - Performs other related and appropriate duties as assigned to support the strategic goals of SPHA.

Briefing/Site Inspection Reporting

- Performs daily on-site-inspections of the progress of projects
- Provides reports of the site observation with photographs.
- Reviews liens, waivers, testing reports, etc.
- Provides required follow-up for compliance with the Davis Bacon Act. Prepares Davis Bacon reports and conducts interviews of contractors and subcontractors.

Budget & Inventory

- Creates and maintains a Physical Needs Assessment for all SPHA-owned properties.
- Creates Computer Aided Drafting (CAD) or applicable drawing of units, buildings, etc. as needed.
- Creates and maintains Excel data files on property improvements.

Safety & Compliance

- Manages safety and health certifications for each site.

-
- Monitors health and safety programs and assists in training for maintenance personnel.
 - Ensures stipulated safety rules and regulations are met.

Section 3 and Minority Business Enterprise Obligations

- Coordinates Section 3 compliance activities with developers, contractors, consultants, residents, etc. for reporting purposes.
- Tracts and monitors Section 3, MBE, WBE, DBE participation of SPHA's construction projects and provide regular reports.
- Coordinates on-going Section 3, and MBE written reports.

Supervisory Authority

No supervisory authority

Supervision Provided

Operates under direct general supervision of the SPHA President/CEO.
