Attachment 2

B2. New Activities, Part b

Mixed Finance Modernization or Development

SPHA plans to create Wounded Warrior Housing for wounded veterans via acquisition or construction of Project Based Section 8 units, using public housing sale proceeds, in accordance with 24 CFR 970.19 (e)(2)(i). SPHA has identified land at 0 Hartford Street North (approximately 1.3 acres) to construct 18-23 units of housing for veterans. SPHA also plans to create additional affordable housing using 4% tax credits, bonds, 9% tax credits, Housing Trust Funds, and/or other funding, as it becomes available.

SPHA plans to create additional housing either via mixed finance, Project-Based Section 8 vouchers, Low-Income Housing Tax Credits, bonds, or other financing options to create family housing and/or senior housing. There is a great need for additional affordable housing in the City of St. Petersburg. In addition, due to the large elderly population, additional senior housing is also needed.

SPHA plans to develop additional housing through its non-profit, RISE Development Corporation. RISE will become a 501c3, allowing SPHA to lessen its dependence on HUD's funding.

Demolition and/or Disposition

SPHA plans to dispose of its single scattered site house, located at 4326 14th Avenue South in St. Petersburg. SPHA plans to sell the property to the existing tenant. In the event that the existing tenant does not or will not qualify, SPHA may relocate the resident and offer the house for sale to another existing public housing resident first, and then a Section 8 participant, or other resident at 80% or below of the Area Median Income. SPHA will include the Scattered Site house as a part of the RAD portfolio and dispose of it via the de minimus option.

SPHA intends to dispose of Jordan Park Apartments (1245 Jordan Park Street South, FL002000003) in order to recapitalize the property and finance rehabilitation of the units. Disposition will either be through voluntary conversion to Housing Choice Vouchers, a Section 18 disposition action, a mixed finance transformation action, the Rental Assistance Demonstration (RAD) program, the de minimus option, or a combination of these actions. SPHA will be requesting Tenant Protection Vouchers from HUD for any dispositioned units. Jordan Park is in need of major rehab, estimated at \$21 Million over the next twenty (20) years, with \$14 Million needed for immediate repairs. The property cannot be maintained as public housing. After disposition, SPHA may demolish a portion of the property (Senior Village, consisting of 31 units) and construct a 60 unit mid-rise for seniors.

Conversion of Public Housing to Tenant Based Assistance

SPHA is taking ownership of Jordan Park Apartments (1245 Jordan Park Street South, FL002000003), a Hope VI development. Jordan Park is in need of major rehab, estimated at \$21 Million over the next twenty (20) years, with \$14 Million needed for immediate repairs. SPHA plans to finance the repairs via 4% tax credits, bonds, Housing Trust Funds through Pinellas County, the Pinellas County Land Trust, funds from the City of St. Petersburg and the state of Florida. The property cannot be maintained as public housing.

Conversion of Public Housing to Project-Based Assistance under RAD

SPHA will convert its entire portfolio to RAD, for a total of 371 public housing units. Detailed information is found in the RAD attachment.

Project Based Vouchers

SPHA intends to project based up to 20% of its total voucher allocation for the recapitalization of Jordan Park if tenant protection vouchers are not available and for other new development projects. This is consistent with the PHA Plan as it will assist in maximizing HCV lease up and improving quality of housing.

SPHA plans to create Wounded Warrior Housing for wounded veterans via acquisition or construction of Project Based Section 8 units, using public housing sale proceeds, in accordance with 24 CFR 970.19 (e)(2)(i). SPHA will need to solicit a Request for Proposals (RFP) for the Project Based Vouchers. SPHA may choose to do a solicitation for regular Project Based Vouchers or VASH Project Based Vouchers.

Units with Approved Vacancies for Modernization

SPHA has several projects planned with its Capital Fund grants that may require units to be taken offline as approved vacancies for modernization. All work has been approved in the various capital fund budgets and includes, but is not limited to, kitchen and bathroom remodels, flooring replacements, etc.

Other Capital Grant Programs

SPHA plans to apply for Emergency Safety and Security Grants, as they become available.

2017 ANNUAL PLAN

RENTAL ASSISTANCE DEMONSTRATION

The SPHA Housing Authority (SPHA) has submitted an application for the Rental Assistance Demonstration (RAD) program. As a result, SPHA will be converting all Public Housing to Project Based Vouchers under the guidelines of PIH Notice 2012-32, REV-2 and any successor Notices. Upon conversion to Project Based Vouchers, the Authority will adopt the resident rights, participation, waiting list and grievance procedures listed in Section 1.6C and 1.6D of PIH Notice 2012-32. These residents' rights, participation, waiting list and grievance procedures are appended to this attachment. Additionally, the St. Petersburg Housing Authority is currently compliant with all Fair Housing and Civil Rights requirements and is not under a Voluntary Compliance Agreement.

RAD was designed by HUD to assist in addressing the capital needs of public housing by providing SPHA with access to private sources of capital to repair and preserve its affordable housing assets. Please be aware that upon conversion, the Authority's Capital Fund budget will be reduced by the pro-rata share of Public Housing Developments converted as part of the demonstration and that SPHA may also borrow fund to address their capital needs.

Below please find the specific information related to the Public Housing Development selected for RAD:

Significant Amendment Definition:

As part of the Rental Assistance Demonstration (RAD), the Housing Authority is redefining the definition of a substantial deviation from the PHA Plan to exclude the following RAD-specific items:

- Changes to the Capital Fund Budgets produced as a result of each approved RAD conversion, regardless of whether the proposed conversion will include use of additional Capital Funds;
- Changes to the construction and/or rehabilitation plan for each approved RAD conversion; and
- Changes to the financing structure for each approved RAD conversion.

PROJECT BASED VOUCHERS RESIDENT RIGHTS AND PARTICIPATION

1. No Re-screening of Tenants upon Conversion. Pursuant to the RAD statute, at conversion, current households are not subject to rescreening, income eligibility, or income targeting provisions. Consequently, current households will be grandfathered for conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR § 982.201, concerning eligibility and targeting, will not apply for current households. Once that remaining household moves out, the unit must be leased to an eligible family.

2. Right to Return. Any residents that may need to be temporarily relocated to facilitate rehabilitation or construction will have a right to return to an assisted unit at the development once rehabilitation or construction is completed. Where the transfer of assistance to a new site is warranted and approved (see Section 1.6.B.7 and Section 1.7.A.8 on conditions warranting a transfer of assistance), residents of the converting development will have the right to reside in an assisted unit at the new site once rehabilitation or construction is complete.

Residents of a development undergoing conversion of assistance may voluntarily accept a PHA or Owner's offer to permanently relocate to another assisted unit, and thereby waive their right to return to the development after rehabilitation or construction is completed.

3. Renewal of Lease. Under current regulations at 24 CFR § 983.257(b)(3), upon lease expiration, a PHA can choose not to renew the lease, without good cause. In such a case, the regulatory consequence is the loss of the assisted unit. Under RAD, the PHA must renew all leases upon lease expiration, unless cause exists. Consequently, 24 CFR §983.257(b)(3) will not apply. This provision must be incorporated by the PBV owner into the tenant lease or tenancy addendum, as appropriate.

4. Phase-in of Tenant Rent Increases. If a tenant's monthly rent increases by more than the greater of 10 percent or \$25 purely as a result of conversion, the rent increase will be phased in

over 3 years. To implement this provision, HUD is waiving section 3(a)(1) of the Act, as well as 24 CFR § 983.3 (definition of “total tenant payment” (TTP)) only to the extent necessary to allow for the phase-in of tenant rent increases. A PHA must create a policy setting the length of the phase in period at three years, five years or a combination depending on circumstances. For example, a PHA may create a policy that uses a three year phase-in for smaller increases in rent and a five year phase-in for larger increases in rent. This policy must be in place at conversion and may not be modified after conversion.

The below method explains the set percentage-based phase-in an owner must follow according to the phase-in period established. For purposes of this section “standard TTP” refers to the TTP calculated in accordance with regulations at 24 CFR §5.628 and the “most recently paid TTP” refers to the TTP recorded on line 9j of the family’s most recent HUD Form 50058

Three Year Phase-in:

- Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion – 33% of difference between most recently paid TTP and the standard TTP
- Year 2: Year 2 Annual Recertification (AR) and any Interim Recertification (IR) prior to Year 3 AR – 66% of difference between most recently paid TTP and the standard TTP
- Year 3: Year 3 AR and all subsequent recertifications – Full standard TTP

Please Note: In either the three year phase-in or the five-year phase-in, once the standard TTP is equal to or less than the previous TTP, the phase-in ends and tenants will pay full TTP from that point forward.

5. Public Housing Family Self Sufficiency (PH FSS) and Resident Opportunities and Self Sufficiency Service Coordinator (ROSS-SC) programs. Current PH FSS participants will continue to be eligible for FSS once their housing is converted under RAD, and PHAs will be allowed to use any PH FSS funds granted previously or pursuant to the FY 2013 PH FSS NOFA, to serve those FSS participants who live in units converted by RAD and who will as a result be moving to the HCV FSS program, subject to the following:

- a. If a PHA has an HCV FSS program, a PHA must convert the PH FSS program participants at the covered project to their HCV FSS program. Please see future FSS Notices of Funding Availability and other guidance for additional details, including FSS coordinator funding eligibility of PHAs under a RAD conversion.
- b. If a PHA does not have an HCV FSS program, the PHA must establish an HCV FSS program and convert the PH FSS program participants at the covered project into their HCV FSS program. PHAs are not required to offer enrollment in FSS to residents in converting projects and other HCV participants, other than to residents in converting projects that were enrolled in the PH FSS program. Please see future FSS Notices of Funding Availability and other guidance for additional details, including FSS coordinator funding eligibility of PHAs under a RAD conversion.

All PHAs will be required to administer the FSS program in accordance with FSS regulations at 24 CFR Part 984 and in accordance with the participants’ contracts of participation. However, residents who were converted from the PH FSS program to the HCV FSS program through RAD

may not be terminated from the HCV FSS program or have HCV assistance withheld due to the participant's failure to comply with the contract of participation. Consequently, 24 CFR 984.303(b)(5)(iii) does not apply to FSS participants in converted properties.

Current ROSS-SC grantees will be able to finish out their current ROSS-SC grants once their housing is converted under RAD. However, once the property is converted, it will no longer be eligible to be counted towards the unit count for future public housing. ROSS-SC grants, nor will its residents be eligible to be served by future public housing ROSS-SC grants.

6. Resident Participation and Funding. In accordance with Attachment 1B, residents of covered projects converting assistance to PBVs will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding.

7. Resident Procedural Rights. The following items must be incorporated into both the Section 8 Administrative Plan and the owner's lease, which includes the required tenancy addendum, as appropriate. Evidence of such incorporation may be requested by HUD for purposes of monitoring the program.

a. Termination Notification. HUD is incorporating additional termination notification requirements to comply with section 6 of the Act for public housing projects that convert assistance under RAD. In addition to the regulations at 24 CFR § 983.257, related to owner termination of tenancy and eviction, as modified by the waiver in Section 1.6(C)(3) above, the termination procedure for RAD conversions to PBV will require that PHAs provide adequate written notice of termination of the lease which shall not be less than:

- i.** A reasonable period of time, but not to exceed 30 days:
 - If the health or safety of other tenants, PHA employees, or persons residing in the immediate vicinity of the premises is threatened; or
 - In the event of any drug-related or violent criminal activity or any felony conviction;
- ii.** 14 days in the case of nonpayment of rent; and
- iii.** 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.

b. Grievance Process. HUD is incorporating additional procedural rights to comply with the requirements of section 6 of the Act. For issues related to tenancy and termination of assistance, PBV program rules require the PHA to provide an opportunity for an informal hearing, as outlined in 24CFR § 982.555. RAD will waive 24 CFR § 982.555(b) in part, which outlines when informal hearings are not required, and require that:

- i.** In addition to reasons that require an opportunity for an informal hearing given in 24 CFR § 982.555(a)(1)(i)-(vi), an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to a PHA (as owner) action in accordance with the individual's lease or the contract

administrator in accordance with RAD PBV requirements that adversely affect the resident's rights, obligations, welfare, or status.

- For any hearing required under 24 CFR § 982.555(a)(1)(i)-(vi), the contract administrator will perform the hearing, as is the current standard in the program.
 - For any additional hearings required under RAD, the PHA (as owner) will perform the hearing.
- ii.** An informal hearing will not be required for class grievances or to disputes between residents not involving the PHA (as owner) or contract administrator.
- This hearing requirement shall not apply to and is not intended as a forum for initiating or negotiating policy changes between a group or groups of residents and the PHA (as owner) or contract administrator.
- iii.** The PHA (as owner) give residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR § 982.555(a)(1)(i)-(vi).
- iv.** The PHA (as owner) provide opportunity for an informal hearing before an eviction.

Current PBV program rules require that hearing procedures must be outlined in the PHA's Section 8 Administrative Plan.

8. Earned Income Disregard (EID). Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR § 5.617. Upon the expiration of the EID for such families, the rent adjustment shall not be subject to rent phase-in, as described in Section 1.6.C.4; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time.

Under the Housing Choice Voucher program, the EID exclusion is limited to only persons with disabilities (24 CFR § 5.617(b)). In order to allow all tenants (including non-disabled persons) who are employed and currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the PBV project, the provision in section 5.617(b) limiting EID to only disabled persons is waived. The waiver and resulting alternative requirement only applies to tenants receiving the EID at the time of conversion. No other tenant (e.g., tenants who at one time received the EID but **are** not receiving the EID exclusion at the time of conversion (e.g., due to loss of employment); tenants that move into the property following conversion, etc.) is covered by this waiver.

9. Capital Fund Education and Training Community Facilities (CFCF) Program. CFCF provides capital funding to PHAs for the construction, rehabilitation, or purchase of facilities to provide early childhood education, adult education, and job training programs for public housing residents based on an identified need. Where a community facility has been developed under

CFCF in connection to or serving the residents of an existing public housing project converting its assistance under RAD, residents will continue to qualify as “PHA residents” for the purposes of CFCF program compliance. To the greatest extent possible the community facility should continue to be available to public housing residents

PBV: Other Miscellaneous Provisions

1. Access to Records, Including Requests for Information Related to Evaluation of Demonstration. PHAs must agree to any reasonable HUD request for data to support program evaluation, including but not limited to project financial statements, operating data, Choice-Mobility utilization, and rehabilitation work. Please see Appendix IV for reporting units in Form HUD-50058.

2. Additional Monitoring Requirement. The PHA’s Board must approve the operating budget for the covered project annually in accordance with HUD requirements.

3. Davis-Bacon Act and Section 3 of the Housing and Urban Development Act of 1968 (Section 3). Under existing PBV program rules, projects that qualify as “existing housing” under 24 CFR § 983.52(a) are not subject to Davis-Bacon (prevailing wages, the Contract Work Hours and Safety Standards Act, and other related regulations, rules, and requirements) or Section 3 (24 CFR Part 135). However, the Davis-Bacon Act and Section 3 shall apply to all initial repairs that are identified in the Financing Plan to the extent that such repairs qualify as construction or rehabilitation, regardless of whether the project qualifies as “existing housing.” Developmental requirements under 24 CFR §983.154 and fair housing provisions under 24 CFR § 983.152(c)(vi) continue to apply.

4. Establishment of Waiting List. In establishing the waiting list for the converted project, the PHA shall utilize the project-specific waiting list that existed at the time of conversion, unless the assistance is being transferred to another neighborhood. If a project-specific waiting list does exist, but the PHA is transferring the assistance to another neighborhood, the PHA must notify applicants on the wait-list of the transfer of assistance, and on how they can apply for residency at the new project site or other sites. Applicants on a project-specific waiting list for a project where the assistance is being transferred shall have priority on the newly formed waiting list for the new project site in accordance with the date and time of their application to the original project's waiting list. In addition, the waiting list must be established and maintained in accordance with PBV program requirements.

If a project-specific waiting list for the project does not exist, the PHA shall establish a waiting list in accordance 24 CFR § 903.7(b)(2)(ii)-(iv) to ensure that applicants on the PHA’s public housing community-wide waiting list have been offered placement on the converted project’s initial waiting list. For the purpose of establishing the initial waiting list, PHAs have the discretion to determine the most appropriate means of informing applicants on the public housing waiting list given the number of applicants,

PHA resources, and community characteristics of the proposed conversion under RAD. Such activities should be pursuant to the PHA’s policies for waiting list management, including the obligation to affirmatively further fair housing.

A PHA may consider contacting every applicant on the public housing waiting list via direct mailing; advertising the availability of housing to the population that is less likely to apply, both minority and non-minority groups, through various forms of media (e.g., radio stations, posters, newspapers) within the marketing area, informing local non-profit entities and advocacy groups (e.g., disability rights groups); and conducting other outreach as appropriate. Applicants on the agency's centralized public housing waiting list who wish to be placed onto the newly-established waiting list are done so in accordance with the date and time of their original application to the centralized public housing waiting list. Any activities to contact applicants on the public housing waiting list must be conducted accordance with the requirements for effective communication with persons with disabilities at 24 CFR § 8.6 and the obligation to provide meaningful access for persons with limited English proficiency (LEP).

To implement this provision, HUD is waiving 24 CFR § 983.251(c)(2). However, after the initial waiting list has been established, the PHA shall administer its waiting list for the converted project in accordance with 24 CFR § 983.251(c).

5. Mandatory Insurance Coverage. The project shall maintain at all times commercially available property and liability insurance to protect the project from financial loss and, to the extent insurance proceeds permit, promptly restore, reconstruct, and/or repair any damaged or destroyed property of a project, except with the written approval of HUD to the contrary.

6. Agreement Waiver. For public housing conversions to PBV, there will be no Agreement to Enter into a Housing Assistance Payments (AHAP) contract. Therefore, all regulatory references to the Agreement (AHAP), including regulations under 24 CFR Part 983 Subpart D are waived.

7. Future Refinancing. Owners must receive HUD approval for any refinancing or restructuring of permanent debt within the HAP contract term to ensure the financing is consistent with long-term preservation. (Current lenders and investors are also likely to require review and approval of refinancing of the primary permanent debt.)

8. Administrative Fees for Public Housing Conversions. For the initial Calendar Year in which a project's assistance has been converted, RAD PBV projects will be funded with public housing money. Since the public housing funding will not have been transferred to the TBRA account and since this funding is not section 8 assistance the annual contributions contract (ACC) between the PHA and HUD will cover the project units, but be for zero dollars. For this transition period, the ACC will primarily serve as the basis for covering the units and requiring PHA compliance with HUD requirements, but it will not be (as it is in the regular PBV program) the funding vehicle for the PBV RAD vouchers. Given this, and given the fact that PHAs will be receiving full public housing funding for the PBV units during this transition period, PHAs will not receive ongoing section 8 administrative fee funding during this time.

Generally, PHAs receive ongoing administrative fees for units under a HAP contract, consistent with recent appropriation act references to "section 8(q) of the [United States Housing Act of 1937] and related appropriations act provisions in effect immediately before the Quality Housing and Responsibility Act of 1998" and 24 CFR 982.152(b).

During the transition period mentioned in the preceding paragraph, these provisions are waived, and PHAs will not receive section 8 ongoing administrative fees for PBV RAD units.

After this transition period, the ACC will be amended to include section 8 funding that

corresponds to the units covered by the ACC. At that time, the regular section 8 administrative fee funding provisions will apply.

**Resident Advisory Board
Meeting Summary
April 24, 2017**

Members of the Resident Advisory Board (RAB) were invited to the Annual Plan meeting, to be held on April 24, 2017 at 1:00 pm at the Jordan Park Apartments office located at 1245 Jordan Park Street South, St. Petersburg, FL 33712.

During the meeting, Melinda Perry, SPHA Chief Operating Officer, discussed the revision to the 2017 Annual Plan. RAB Comments:

The residents agreed that this would be a good plan for the residents. The residents did not have any additional comments.
